BUDGET ESTIMATE OF DIVINE TOUCH MINISTRIES WORLDWIDE FOR 2016/2017

In January 2013, God spoke to Bishop Don Okafor and Pastor Bernadette Okafor to lay a visionary foundation of 5000 (five thousand) sitting auditorium sanctuary here in Montgomery Alabama.

Meanwhile our present church located at 2415 E. South Blvd. Montgomery Al 36116 sits only 500 (five hundred).

This vision is 10 times the capacity of where we are presently. In Hab 2:3, God ordered us to write the vision down and make it plain so that every God loving individual will understand it.

In view of the above therefore, we are laying down this budget and giving everybody who has been praying and asking God for this life changing ministry to be established here in Montgomery Alabama, to have the opportunity to be part of building this sanctuary.

The first phase of the building spread over two years will cost us \$5M (Five Million Dollars).

We are asking everyone that has been blessed by God through this ministry to show extra ordinary commitment to God by making a onetime pledge or spread it over 24 months (two years) according to your affordability.
